

CANVAS

WEST COAST INDUSTRIES

CANVAS a table collection that expands your reach. Designed to be layered with materials, this classic panel end table evolves into a crafted aesthetic. Offering several heights, widths, and expansive lengths, explore the potential.

INFINITE POSSIBILITIES

CANVAS tables are available in dining, counter and bar heights, in widths from 24" to 42", and lengths from 60" to 120". Standard base material choices include wood veneer and laminate with overlay and cladding options of Corian® and 3form® Chroma®. Pictured above: **a.** 36"x84" bar height table with under surface power in natural Cherry wood veneer clad in Glacier White Corian®. **b.** 36"x120" dining height table in Wilsonart Designer White laminate. **c.** 24"x96" counter height table in Wilsonart Designer White laminate with overlay in Corian® Deep Night Sky. A classic form takes on a new composition.

POWER OPTIONS. In the table top or under the surface, Canvas keeps you charged and connected. WCI offers Byrne as a standard, other power solutions are available upon request.
