

MATERIALS & FINISHES

WEST COAST INDUSTRIES

INFINITELY ENABLING

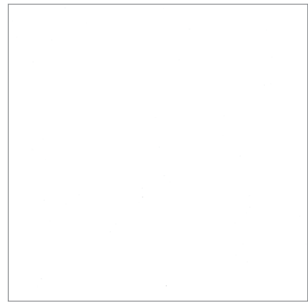

West Coast Industries prides itself on nearly limitless materials and finishes, whether standard or custom. This is an aesthetic playground where clients conjure combinations unique in every way. Get lost in our palette below, or take your creativity beyond with custom colors. We empower clients with the unencumbered freedom to create when designing and specifying our furniture.

Want more colors? Send in a sample chip, and the WCI team will match the color to help you achieve your ideal custom project palette.
