GENERAL INFORMATION – *Terms and Conditions*

Prices

Possession of this price list does not in itself constitute authority to sell and/or purchase product herein. All prices are LIST prices. Prices are effective with current date printed on the cover and supersede all other price lists. All accepted orders are subject to prevailing prices at time of order. WCI reserves the right to change prices or specifications without prior notice. Prices do not include tax or installation. Additional charges may apply on special requests for inside delivery.

Minimum Order

WCI's minimum order is \$1,500 NET and orders under this amount will be subject to a \$150 service charge. .

Terms of Payment

Payment terms will be established based on the credit rating and credit information provided by and for specific customers based on their credit application. WCI accepts payment via ACH transfer, wire transfer, check, or credit card (MasterCard, VISA, or American Express) Payments made via credit card will be assessed a 3% processing fee. Orders are invoiced at the time of shipment. Standard payment terms are 50% due at the time of order and 50% before shipment. Approved credit levels may be extended to thirty (30) days. All seating orders require a 50% deposit with the order, and the balance must be paid in full prior to the date of shipment or within net thirty (30) days with established credit. Past due accounts will be charged the lesser of 1-1/2% per month or the highest rate permitted by law, plus all collection costs, including reasonable attorney's fees and expenses.

Changes or Cancellations

Any requested changes to or cancellation of an order must be submitted to WCI in writing. Approved change order requests may be subject to a revised production schedule and additional material and labor charges. Approved cancellation requests may be subject to restocking, material, and labor charges. Acknowledged orders for special, non-standard, and custom products cannot be canceled.

Storage

WCI does not have a storage space for completed orders. If customer will not accept delivery of merchandise when products are ready, WCI will transfer products to a storage facility and products will be invoiced at that time. The customer is responsible for the storage charges and assumes and all risks associated with the storage of the product. Such storage shall be deemed delivery for all purposes including invoicing and payment. Customer will be responsible for arranging transfer of the product to its final destination.

GENERAL INFORMATION – *Terms and Conditions*

Orders

All orders must include WCI product model number, final material, and finish specifications for order entry. Send your orders directly to:

Postal Service or Courier Service:

WCI
Attn: Order Entry
361 N, Bernoulli Cir,
Oxnard, CA 93030

Email:

orders@westcoastindustries.com

Duplicate orders that are received by mail (after being faxed or emailed) and not marked “confirmation” are the responsibility of the customer.

Acknowledgement

All orders are manufactured and shipped according to the acknowledgement and its terms and conditions. It is the customer’s responsibility to note any discrepancies on the acknowledgement and to notify WCI immediately. The printed acknowledgement constitutes the final agreement between the customer and WCI, thus superseding all previous communications regarding the order.

Designs and Specifications

All designs and specifications are subject to change without prior notice. Any item or material may be discontinued without prior notice. All weights and dimensions are approximate.

GENERAL INFORMATION — *Guaranteed Freight Program*

Zone 1: Add 7%

Minimum freight charge of \$150.

Arizona, California, Hawaii*, and Nevada.

Zone 2: Add 9%

Minimum freight charge of \$275.

Alaska*, Arkansas, Canada, Colorado, Idaho, Iowa, Kansas, Louisiana, Minnesota, Missouri, Montana, Nebraska, New Mexico, North Dakota, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington, and Wyoming.

Zone 3: Add 11%

Minimum freight charge of \$275.

Alabama, Connecticut, Delaware, District of Columbia, Florida, Georgia, Illinois, Indiana, Kentucky, Maine, Maryland, Massachusetts, Michigan, Mississippi, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina, Tennessee, Vermont, Virginia, West Virginia, and Wisconsin.

* Products shipped to Alaska*, Hawaii*, and Canada are F.O.B. factory, freight prepaid to port of embarkation, based on percentages as outlined above. The customer is responsible for freight charges from the port of embarkation to the final destination

Note: Guaranteed freight program applies to tables and outdoor furniture only. For upholstered furniture freight see Seating on page 13.

GENERAL INFORMATION — *Guaranteed Freight Program*

Tables and Outdoor

Tables and outdoor orders will be shipped F.O.B. factory. To calculate your guaranteed freight cost, refer to the map and zone matrix. Zone percentage is calculated based on standard discount from LIST, and pre-calculated fixed freight rate will be included on invoices. WCI reserves the absolute right to determine the method of shipping unless special delivery instructions have been previously approved. **Products shipped to Alaska*, Hawaii*, and Canada are F.O.B. factory, freight prepaid to port of embarkation, based on percentages as outlined above.** Customer is responsible for freight charges from port of embarkation to final destination

Seating

Seating is not included in WCI's guaranteed freight program. WCI will negotiate discounted freight rates on the customer's behalf and will include those rates on the invoice. Seating is shipped F.O.B. factory, un-cartoned and blanket wrapped is standard, crating maybe provided and is available upon request, an additional charge may apply. WCI reserves the absolute right to determine the method of shipping unless special delivery instructions have been previously approved. **Products shipped to Alaska*, Hawaii*, and Canada are F.O.B. factory, freight prepaid to port of embarkation, based on percentages as outlined above.** Customer is responsible for freight charges from port of embarkation to final destination

Freight Claims

West Coast Industries will file freight claims on behalf of our customer . Damage to product and or cartons MUST be noted on the proof of delivery (POD)receipt. Failure to notify or document the damage within five business days will constitute acceptance of merchandise and waiver of any defects, shortages, or errors found upon inspection. Pictures of product and or packaging must be sent to the shipping department at **213-627-1113 EX. 223** to initiate a freight claim and replacement or repair. **No claim will be accepted for concealed damage without being noted on the POD.**

Normal Delivery

Normal delivery is on a dock to dock basis. Special requests, such as inside delivery, "call before," etc, should appear on the customer's purchase order and are subject to additional charges. Every attempt will be made by WCI to accommodate customers' requests. Delivery date is subject to strikes, accidents, availability of supplies, and any other causes beyond our control. WCI may stop and/or hold shipment if payment terms, account status, or credit are not satisfactory.

Will Call

Customers may choose to pick up orders at our factory. Customers will be notified when their order is ready for orders marked "will call." Pick up must be made within five business days. If order is not picked up within five business days reference Storage policy on page 10. Customer pick up is available between 8 AM and 2 PM PST. Please call WCI customer service at **213.627.1113 ex.223** to schedule a customer pick-up.

GENERAL INFORMATION – *Warranties*

Tables

All tables manufactured by WCI are warranted to the original purchaser covering normal usage for a period of **twelve years** from the date of the original invoice. WCI will replace or repair (at our discretion) without cost to our customers any item found to be defective as a result of defective materials or workmanship. We will not, however, repair any item which has been abused or subjected to any use other than that which was originally intended for our product. Any repairs by the customer must receive specific written authorization from WCI before being executed on location to receive proper reimbursement for associated costs. In no event shall liability under this warranty exceed the original purchase price.

Electrical items not manufactured by WCI are covered for a period of one year.

Plastic laminates, Corian®, quartz and non-standard custom materials are not warranted by WCI, but are warranted by the respective manufacturers under their specific warranty only.

Wood furniture is made of natural variable raw material. Differences in grain characteristics and color among wood species are naturally occurring variations and are not within the control of WCI nor considered defects included in this warranty.

Seating

WCI seating frames are warranted to be free of defects in materials and workmanship covering normal usage to the original purchaser for a period of **seven years** from the date of the original invoice. WCI will replace or repair (at our discretion), without cost to our customers, any item found to be defective as a result of defective material or workmanship. This warranty does not apply to damage resulting from accident, misuse, abuse, alteration or negligence. Any repairs by the customer must receive specific written authorization from WCI before being executed on location to receive proper reimbursement for associated costs. WCI will not be liable for any additional charges sustained by the customer because of improper installation by others, usage or after market additions.

Plastic laminates, upholstery and non-standard custom materials are not warranted by WCI, but are warranted by the respective manufacturers under their specific warranty only.

Wood furniture is made of natural variable raw material. Differences in grain characteristics and color among wood species are naturally occurring variations and are neither within the control of WCI, nor considered defects included in this warranty.

WCI seating is not intended for outdoor usage. Outdoor usage of seating voids warranty.

COM textiles and COL leathers are not warranted by WCI, but are warranted by the respective manufacturers under their specific warranty only.

Outdoor

All outdoor products manufactured by WCI are warranted to the original purchaser covering normal usage for a period of **one year** from the date of the original invoice. WCI will replace or repair (at our discretion) without cost to our customers any item found to be defective as a result of defective material or workmanship. We will not, however, repair any item which has been abused or subjected to any use other than that which was originally intended for our product. Any repairs by the customer must receive specific written authorization from WCI before being executed on location to receive proper reimbursement for associated costs. In no event shall liability under this warranty exceed the original purchase price.

GENERAL INFORMATION – *Care and Maintenance*

Table Tops

Plastic Laminate Table Tops

Laminate topped tables be cleaned with a mild, non-abrasive cleaner and cloth.

Wood Veneer and Solid Wood Table Tops

Wood must be treated as a breathing, living material. Like all organisms, it is subject to changes depending upon the environment in which it exists. The principal concern is the humidity in the surrounding atmosphere and its effect on the wood. Like many other materials, wood shrinks when it loses moisture and it swells when it absorbs it. WCI wood finishes should be wiped clean with a soft damp cloth moistened with water, and then dried with a soft cloth. Wood finishes should be protected from excessive heat. A heat pad, coaster or trivet should be used to protect the table top from pots, pans, hot serving dishes, drinks, plates, etc.

Note: Do not use commercial cleaners, abrasives, solvents, Windex, 409, Ajax, etc. on the table top as this will wear away the acrylic waterborne enamel.

Corian® Table Tops

Please see: www.corian.com/IMG/pdf/k-26840-corian-solid-surface-care-and-maintenance.pdf

Quartz Table Tops

Caesarstone®: www.caesarstoneus.com/care-maintenance/quartz-surfaces/

Okite® : us.okite.com/resources/

Metal Tables Tops

All metal tables are suitable for indoor and outdoor applications. They have been pretreated and powder coat finished to resist the elements all year long without fading, rusting, or cracking.

For regular cleaning of the metal frames, use a solution of mild, non-abrasive soap and warm water. For more difficult stains, use a mild household cleaner. Avoid using abrasives and chemical cleaners. Always test a small area prior to cleaning. Do not pressure wash.

Table Bases

Powder Coat and Plated Bases

All powder coat and plated bases should be cleaned with a mild, non-abrasive cleaner and cloth. Users are urged to make periodic inspections to look for damage, loose screws and bolts, or other signs of structural fatigue incurred in daily handling, use, and abuse. Examination must include structural joints, corner blocks, welds, and any other stress points. Any product found to be damaged, defective or loose should be taken out of service immediately

General Maintenance

Our customers are urged to make periodic inspections to look for damage, loose screws and bolts or other signs of structural fatigue incurred in daily use. Examination must include structural joints, corner blocks, welds and any other stress points. Any product found to be damaged, defective or loose should be taken out of service immediately.

Top Plate: 7.625", 10.75" or 15" square steel
Standard Glide: Superlevel glide (GSL)
Standard Finish: Powder coated
Optional Finish: Stainless Steel

All table bases are assembled, level checked, and cartoned. Vista table collection is shipped KD.

PRODUCT SPECIFICATIONS – *Tops*

Laminate Top Construction

Standard 1.25" thick core material, consisting of a NAUF Particle Board (45.5 lb/ft³), MDF (46 lb/ft³), or 1" thick Birch Plywood (40 lb/ft³) core, surfaced with a laminate face. The core material is determined by the specified edge profile. A phenolic backer is used on the underside of the top. All complete tables (consisting of a top and base) have steel threaded inserts for metal-to-metal mounting of the top to the base, allowing ease of installation. Tops sold separately do not have steel threaded inserts. Table tops over 96" in length have steel support to prevent bowing. All top dimensions are nominal and may vary up to 0.75", depending on the edge treatment. If a critical size is required (± 0.0625 "), dimensions should be specified in writing.

Wood Veneer Top Construction

Standard 1.25" thick core material, consisting of a NAUF Particle Board (45.5 lb/ft³), MDF (46 lb/ft³), or 1" thick Birch Plywood (40 lb/ft³) core, surfaced with a book matched veneer face. A phenolic backer is used on the underside of the top. All complete tables (consisting of a top and base) have steel threaded inserts for metal-to-metal mounting of the top to the base, allowing ease of installation. Tops sold separately do not have steel threaded inserts. Table tops over 96" in length have steel support to prevent bowing. All top dimensions are nominal and may vary up to 0.75", depending on the edge treatment. If a critical size is required (± 0.0625 "), dimensions should be specified in writing.

Butcherblock Top

Butcher Block Tops have an eased edge with 1-5/16" (1.3125") to 1-11/16" (1.6875") wide finger jointed strips, and are 10" to 24" long. Tops are 1.375" thick and 1.875" thick on 60" and 72" tops. Tops are constructed from solid maple and have 0.75" tolerance.

Wood Surface Finish

All wood products are finished in acrylic waterborne enamel providing a 10-20% sheen finish using a multi-step process of hand sanding, staining, and sealing that provides superior water and alcohol resistance. Custom sheens are available upon request; please contact WCI Customer Service for a quote.

Solid Surface

Corian® Surfaces

Standard 1"x1" thick built-up edge on 0.5" thick Corian® (106.1 lb/ft³) with a wood sub-top. Fabricated out of a 0.75" plywood sub-top for indoor and outdoor use, finished in standard white paint. Corian® is a solid surface material from DuPont composed of 33% of Poly Methyl Methacrylate and 67% of Natural Minerals like Alumina Trihydrate. Corian®, along with its adhesives and sealants, are certified by GREENGUARD®, providing a complete surfacing system with low amounts of VOC (volatile organic compounds). All top dimensions are nominal and may vary up to 0.75" depending on the edge treatment. If a critical size is required (± 0.0625 "), dimensions must be specified in writing.

Quartz Surfaces

Standard 0.75" thick material construction with 0.75" marine grade plywood sub-top for indoor use only. Quartz is comprised of a blend of 93% quartz and 7% polyester that is processed into slabs using a vibro-compression vacuum process. If your project entails more material than a manufactured slab, one or more seams will be required. The product is certified according to the GREENGUARD® Indoor Air Quality Certification Program for Low Emitting Products. As a non-porous material, it will not harbor bacteria and is stain resistant. It is very dense, making it impact and scratch resistant. The sub-top is painted to match the quartz top and is sized such that it is inset by 3" from the edge of the top. All top dimensions are nominal and may vary up to 0.75" depending on edge treatment. If a critical size is required (± 0.125 "), dimensions should be specified in writing.

PRODUCT SPECIFICATIONS – *Tops*

Vinyl T-Mold Edges

Vinyl edges provide an impact-resistant edge. All vinyl T-molding corners have a 2" radius.

PVC Edges

PVC edges provide an impact-resistant edge. PVC corners are 90° square, rounded corners are a 3" radius minimum.

Wood Edges

Wood edges are offered in solid ash, maple, rift cut oak, cherry, and walnut. Other wood species are available upon request; please contact WCI Customer Service for a quote.

Overall Table Heights

Overall table heights vary according to top specification. WCI's standard base only height is 28" . Add top thickness to determine overall table height. Canvas and Parsons are standard at 29 overall height. For alternate height (AH) tables, the height specification refers to the overall height of the table when ordering a complete table, or the overall height of the base when ordering base only.

PRODUCT SPECIFICATIONS – Edge Profiles

SELF EDGE

LLSE

Self Laminate Edge

1.25" thick edge
Edge is banded with matching standard grade top plastic laminate
Square and rectangle tops standard with square corners
Available on 1.25" thick top
Available in 19 standard laminates

VINYL EDGES

LVFL

Flat Vinyl T-Mold Edge

.125" x 1.25" flat vinyl edge
Square and rectangle tops standard with 2" radius corners
Available on 1.25" thick top
Available in 12 colors

LVBP

Bumper Vinyl T-Mold Edge

.1875" x 1.25" rounded vinyl bumper edge
Square and rectangle tops standard with 2" radius corners
Available on 1.25" thick top
Available in 12 colors

PVC EDGE

LPVC

Flat PVC Edge

.125" x 1.25" flat pvc edge
Square and rectangle tops standard with square corners Available on 1.25" thick top
Available in 12 colors

WOOD EDGES GROUP A

LW = Laminate top with a wood edge available in 19 standard laminates
WW = Wood top with a wood edge available in 5 wood species and 20 stains

LWFL & WWFL

Flat Wood Edge

.125" thick flat wood edge, eased corners
Square and rectangle tops standard with square corners
Available on 1.25" thick top
Available in 5 wood species and 20 stains

LWTP & WWTP

Tapered Ply Edge

1" thick exposed Baltic Birch plywood edge with a reverse beveled tapered profile
Square and rectangle tops standard with square corners
Available on 1" thick top

LWFP & WWFP

Flat Ply Edge

1" thick exposed Baltic Birch plywood edge with a flat profile
Square and rectangle tops standard with square corners
Available on 1" thick top

WOOD EDGES GROUP B

LW = Laminate top with a wood edge available in 19 standard laminates
WW = Wood top with a wood edge available in 5 wood species and 20 stains

LWSQ & WWSQ

Square Wood Edge

1.25" x 1.25" flat square wood edge
Square and rectangle tops standard with square corners
Available on 1.25" thick top
Available in 5 wood species and 20 stains

LWBN & WWBN

Bullnose Wood Edge

1.25" x 1.25" bullnose wood edge
Square and rectangle tops standard with square corners Available on 1.25" thick top
Available in 5 wood species and 20 stains

LWPR & WWPR

Prism Wood Edge

1.25" x 1.25" prism wood edge
Square and rectangle tops standard with square corners
Available on 1.25" thick top
Available in 5 wood species and 20 stains

PRODUCT SPECIFICATIONS – Edge Profiles

BUTCHER BLOCK EDGES

BBFL

Butcher Block Flat Edge

1.3125" finger jointed strips x 1.375" thick, 1.875" thick on 60" diameter tops only
Square and rectangle tops standard with square corners
Available on 1.375" thick top
Available in Maple and 3 stains

BBBN

Butcher Block Bullnose Edge

1.3125" finger jointed strips x 1.375" thick, 1.875" thick on 60" diameter tops only
Square and rectangle tops standard with .5" radius corners
Available on 1.375" thick top
Available in Maple and 3 stains

CORIAN® EDGES

COFL

Corian® Flat Edge

.5" thick Corian® material with 1" thick edge
Square and rectangle tops standard with .125" radius corners
Available in 8 colors

COBN

Corian® Bullnose Edge

.5" thick Corian® material with 1" thick edge
Square and rectangle tops standard with .5" radius corners
Available in 8 colors

COPR

Corian® Prism Edge

.5" thick Corian® material with 1" thick edge
Square and rectangle tops standard with square corners
Available in 8 colors

QUARTZ EDGES

Q1FL & Q2FL

Quartz Flat Edge

.75" thick material
With .75" painted plywood subtop, 3" inset from edge
Square and rectangle tops with standard square corners
Available in 7 colors

Q1BN & Q2BN

Quartz Bullnose Edge

.75" thick material
With .75" painted plywood subtop, 3" inset from edge
Square and rectangle tops with standard square corners
Available in 7 colors

FACET EDGES – BLOK & KONE TABLES

LFSE

Facet Self Edge

1.25" thick facet edge
Square and rectangle tops with standard square corners
Available on 1.25" thick top
Available in 19 standard laminates

WVFC

Veneer Facet Self Edge

1.25" thick facet edge
Square and rectangle tops with standard square corners
Available on 1.25" thick top
Available in 5 wood species and 20 stains

WWFC

Wood Facet Edge

1.25" x 1.25" thick facet wood edge
Square and rectangle tops with standard square corners
Available in 1.25" thick tops
Available in 5 wood species and 20 stains

COFC

Corian® Facet Edge

.5" Corian® with 1" thick edge
Square and rectangle tops with standard square corners
Available on 1" thick top
Available in 8 finishes

PRODUCT SPECIFICATIONS – *Solid Surface Reference Guide*

Corian®

Corian® is a solid surface material created by DuPont, composed of acrylic polymer and alumina trihydrate. Corian® is available in a vast range of trendsetting patterns and tones.

WCI Corian® Standard Colors	WCI Code
Designer White	CDW
Silver Gray	CSG
Rain Cloud	CRC
Deep Night Sky	CNS
Glacier White	CGW
Linen	CLN
Deep Mink	CDM
Deep Sable	CDS

Corian® tops are not sold separately as a standard product. All top-only requests must be processed as a custom product. Steel sub-frames are designed to fit only WCI's standard bases. A minimum of five Corian® tops, per color, is required for non-standard Corian® top orders. To see an expanded offering, please visit Corian's website: www.dupont.com

PRODUCT SPECIFICATIONS – Quartz Reference Guide

Caesarstone® Quartz and Okite® Quartz

Engineered stone tops offer one of the most durable stone composite surfaces. They are one of the toughest yet most beautiful of all minerals and have the look and feel of stone offering a more non-porous, scratch-resistant, stain-resistant and heat-resistant properties.

Q1

WCI Ceasarstone® Standard Colors	Manufacturer Code	WCI Code
Ocean Foam	6141	QQF
Pebble	4030	QPB
Concrete	2003	QCO
Raven	4120	QRV

Q2

WCI Okite® Standard Colors	Manufacturer Code	WCI Code
Bianco Assoluto	1665	QBA
Bianco Carrara	1896	QBC
Nero Reale	1804	QNR

Quartz tops are not sold separately as a standard product. The material is only available for the following tables:

Basic Round
Blok
Brae
Brae Double
Canvas
Cube
Cylinder
Disc
Flat Round
Kone
Parsons
Platform
Platform Double
Regency
Tulip
Vista

Our standard quartz top offering features Okite® and Caesarstone® and is composed of up to 93% natural quartz and polymer resin.

To see an expanded offering, please visit the manufacturers' websites.

Caesarstone®: caesarstoneus.com/products

Okite®: okite.com/us/prodotti

A minimum of five quartz tops, per color, is required for non-standard quartz top orders.

PRODUCT SPECIFICATIONS – Wood Grains, Patterns, and Stain-to-Match

WCI wood veneer is book matched as standard.

For custom veneer patterns contact customer service at **844-815-2217** for quotation.

Long grain is standard on all WCI tables.

Single piece tables are available in lengths longer than 10' and are subject to material length availability.

Note: Material length restrictions may require WCI to manufacture the tables in two or more sections.

Long grain is standard on all WCI oval table tops

Long grain is standard on all WCI rectangle tables.

Finger jointed strips are standard on all WCI butcher block table requests.

WCI Standard Veneer Specification

Oak: White Oak, Rift cut, Slip match

Walnut: Walnut, Plain sliced, Book match

Cherry: Cherry, Plain sliced, Book match

Maple: Maple, Plain sliced, Book match

Ash: White ash, Quarter sawn, Slip match

Stain-to-Match

Send all stain-to-match samples marked with WCI's quote number. If you do not have a quote number please mark with project name and send to:

West Coast Industries
Attn: Order Entry
2779 East El Presidio ST.
Carson, CA 90810

The stain-to-match process takes 10 days.

PRODUCT SPECIFICATIONS – ADA Tables

Wheelchair Access

To comply with ADA regulations for wheelchair access to tables WCI recommends a minimum clearance of 27" from the floor to the bottom of the table; a minimum 30" barrier free width and a minimum barrier free depth of 19". In addition there must be a minimum of 30" unobstructed space from the table edge. Overall table height cannot exceed 34".

For more information on ADA requirements, the following websites may be useful:

National Network of ADA Centers: www.adata.org

U.S. Justice Department - ADA Home Page: www.ada.gov

ABA and ABA Guidelines Home Page: www.access-board.gov

Minimum Clearance Recommendations

WCI ADA Table Recommendations

42" x 42" Post leg square table (PO4242SQ)

23" x 39" Bistro ADA rectangle table (BI2339REOD)

30" x 48" T- base rectangle table (DUT3048RE, ALT3048RE, MAT3048RE, PRT3048RE, SLT3048RE, SVT3048RE, TUT3048RE)

ADA Logo

The ADA logo is standard on the Bistro Outdoor rectangle table. The blue ADA symbol is 1.75" high x 5" wide and is inset from the front table edge on the right-hand side (from seated position).

Drawing is not to scale.

---------------------------------------	--------------------------

A PO4896RAWWSQWMWMBM is a Post Leg series 48" x 96" racetrack table with four black powder coat post legs and a wood veneer 1.25" thick top with a 1.25" square wood edge profile.

Edge finish applies when edge material is different from top material.

The code: GMBM specifies a matte black 2" diameter metal grommet.

The code: E specifies the location of the grommet.

Base Options

AH **Alternate Height Base** **76**

WCI table bases are available in a custom height within the range of 16" – 41" (per column). Alternate height Florentine bases are 174.

GSL **Super Level Glides** **40**

Overall height of .75" is recommended for use on uneven or hard surface floors. Eliminates table wobble by automatically self-leveling. Adjusts up to .25" of wobble. Super level glides will not affect the overall height of the table. Super Level Glides are not available on Blok, Disc, Kone or Platform series. Sold in set of 5 (per base).

TMX/TMT **Tilt-top with Standard Cable Release** **X-base 312**
T-base 483

For use on table bases with up to a 2.5" column diameter. The cable release mechanism activates both mechanisms on a table with two single column T-bases. It is not available on TT bases or Post Leg.

TWC2 **Casters 2" Twin Wheel** **65**

Twin Wheel Casters are 2" diameter black nylon with a black nylon hood and locking tab. Casters will not affect the overall height of the table. Casters are available on Dunhill, Mark IV, Plus, Post Leg, Slimline and Tuscan series. Sold in set of 4.

FM **Folding Mechanism** **T-base 312**

Folding table mechanism must be activated individually. The folding mechanism is available on Dunhill, Mark IV, Plus, Slimline and Tuscan T-bases only. It is not available on TT bases or Post Leg. For use on tables bases with up to a 2.5" column diameter.

MWC3 **Casters 3" Mag Wheel** **193**

Mag Wheel Casters are 3" diameter, single wheel, black polyurethane, with a spoked cast iron core, black chrome plated fork finish and a top locking tab. Casters will not affect the overall height of the table. Casters are available on Vista tables series only. Not Available on Vista with Quartz tops. Sold in set of 4.

POWER & DATA OPTIONS

Node®

The Node's clean, flush mount design complements a wide range of aesthetics. Its design is versatile yet discreet, offering a range of power, data, and USB configurations.

Standard Features:		Canvas only	All Other Tables
Finishes:	Parchment, Black, Silver		
Configurations:			
NOD2-A	2 Power	812	190
NOD2-B	1 Power and 2 USB chargers	891	268
NOD2-C	1 Power and 1 USB-A and 1 USB_C	891	268
Cord Lengths:	72" or 120" (Standard)		

Tully®

Traditional meeting and collaborative tables aren't the only places people work today. WCI's custom designed banquettes and seating offer comfortable, flexible workspaces which keep you connected. Tully tucks right into those comfortable spaces to keep you powered up. Tully also mounts discreetly under that collaborative work surface.

Standard Features:		Canvas only	All Other Tables
Finishes:	White Plastic w/ Silver Braided Cord, Black Plastic w/ Gunmetal Braided Cord		
Configurations:			
TUL3	1 Power and 2 USB-A and 1 USB-C (9" or 2" tail)	1,053	396
Cord Lengths:	120" Braided Cord (Standard)		
	ETL Listed		

Mini-Tap®

The Mini-Tap Power provides 2 outlets with key slots, allowing the power to be placed near the edge of the work surface. A great option to avoid cutting into the surface, and offering easy access to power.

Standard Features:		Canvas only	All Other Tables
Finishes:	Black only		
Configurations:			
MIN2-A	2 Power	750	125
MIN2-B	1 Power and 1 USB-A	842	218
Cord Lengths:	72" or 120" (Standard)		
	Assembly required		

Node®, Tully®, Mini-Tap®, Ellora® B, Double Ellora® B, and MS2 — BYRNE electric.
Customer may specify alternate power and data modules. Modules must be approved by WCI engineering.

Ellora® B

Ellora B manages power and data with ease. With its clean powder coated finish and seamless, one-piece aluminum frame, the design is contemporary and understated. When in use, the lid opens for easy access at the work surface but closes softly to hide cable clutter out of sight.

Standard Features:		Canvas only	All Other Tables
Finishes:	Matte White, Matte Fog, Matte Storm		
Configurations:			
SEL4-A	3 Power and 1 USB	1,053	429
SEL4-B	2 Power and 2 USB	1,146	506
SEL4-C	4 Power	1,053	429
Cord Lengths:	72" or 120" (Standard)		
UL Listed			

Double Ellora® B

Double Ellora B offers the same seamless in-surface design as the classic Ellora B maintaining the same contemporary and understated design. The same scalable power and data options are available—but doubled—so it can deliver easy access from both sides of the table.

Standard Features:		Canvas only	All Other Tables
Finishes:	Matte White, Matte Fog, Matte Storm		
Configurations:			
DEL4-A	2 Power and 1 USB charger and 1 USB A+C (each side)	1,628	1,003
DEL4-B	4 Power	1,385	820
Cord Lengths:	72" or 120" (Standard)		
UL Listed			

MS2

MS2 is a side-by-side solution for conference tables that provides access to power and data from both sides or one side. Thanks to its one-touch access in a streamlined design, MS2 power and data is totally concealable. MS2 can be customized with a full line of technology accessories.

Standard Features:		Canvas only	All Other Tables
Finishes:	Silver Anodized Aluminum Black Anodized Aluminum		
Configurations:			
MS24-A	2 Power and 1 USB charger and 1 USB A+C (each side) Silver Anodized Aluminum	1,628	1,003
MS24-B	2 Power and 1 USB charger and 1 USB A+C(each side) Black Anodized Aluminum	1,385	820
Cord Lengths:	72" or 120" (Standard)		
UL Listed	72' Hard wired (Anodized Aluminum Only)		

Includes a Voice/Data Adapter Kit (BE01421) to accept couplers & jacks when required
Configurations with four or more power receive a Circuit Breaker Cord
