- Fabric grades are for reference only and subject to change.
- Fabric grades assume a railroaded application with no pattern match. Contact WCI for pricing if fabric is mohair, velvet, striped, directional, has a large pattern or repeat, or you have special application instructions.
- Grading does not guarantee suitability. If you have concerns about a fabric being too thick or thin, stiff or stretchy, or its workability, contact WCI to submit a memo for testing.
- WCI lead times depend on fabric availability by manufacturer.
